Cashmere Wanderers Junior AFC – Newsletter

December 2006

Seasons Greetings!

to all the Soccer nuts in the family,

Although summer sport is well underway and winter sport seems months away, it is time to remind you of some important dates for next year.

Trials

Trials for premier teams and 11, 12, 13th and youth grades will be held in February 2007 beginning on Sunday 18th February. Please check the website for details of trial times, as they vary from grade to grade.

There will be 2 trials for each grade and all candidates are encouraged to attend both trials. Teams will be selected following the second trial.

Further information on the trial format and details of when and where to attend can be found on the website. Please contact Tim Bush if you have any questions.

Registration

Registration will begin in February 2007. There will be several methods of registering next year; postal or on-line (for existing members, forms for downloading will be available on the website), or registration in person on Sunday 25 February and Wednesday 28 February at the Cashmere Club.

Details of times and a reminder notice will be circulated early next year – in the meantime, put these dates in your diary now!

Start of 2007 season

We anticipate that the 2007 season will begin Saturday 21 April, although the 7-9th grade development competition is likely to start a couple of weeks later. We will confirm the season start date early next year when details are available from Mainland Soccer.
