

CWAFC Junior Section Newsletter - October 2006

Hi and welcome to our October Newsletter. There are several important items below so please read on.

Returning Gear

There is still quite a lot of gear outstanding and we would appreciate all outstanding gear to be returned as soon as possible, so we can complete our stock take and get organized for next season. If you are still holding on to any gear please drop into the Cashmere Club (front desk or main bar, include details team and contact name), before Friday 3rd November.

CWAFC Annual General Meeting

Our club AGM will be held at 7.30 pm on Wednesday 22nd November at the Cashmere Club. You are all invited so please come along. As previously advised we are looking for several new committee members for next season. With over 700 junior members it is essential that we have a good number of people on the committee to help with the load. Please give this some thought as many hands make light work. It is a great committee to be involved in and we welcome whatever help you can give. We are particularly looking for people who have skills in marketing, sponsorship and/or event management but don't let this limit you, all members are welcome to contribute as committee members. Please contact Barbara Turner on 332-0722 or email juniorsecretary@cashmere-soccer.co.nz for more info.

Summer Soccer Programme

Tim Bush, our Player Development Officer is running a Summer Programme starting on the 13th November for 8th to 10th grades. Please visit our website for more information and enrolment forms. <http://cashmere-soccer.co.nz/junior>
