Many of our players have been selected to represent Canterbury at tournaments in the September school holidays. We wish to congratulate all these players and wish them well for successful tournaments.

Last weekend several of our teams competed in a sprint competition held at English Park. Our 12th Grade Gold team was

successful in winning this. They won a soccer ball each plus 11 balls for the club. So congratulations team and well done.

3 of our members Connor Aldridge, Robbie Selbie & Lucy Palmer have also made it through to the Penalty Shoot Out finals to be held this Saturday, so good luck to you all.

Tim Bush our Player Development Officer will shortly be organizing a Summer Coaching Programme and more details about this will be sent out shortly.

Our AGM will be coming up in November of this year. We would ask you to think seriously about joining this great committee. We are losing several of our key committee members this year and to enable the continued running of this great club we need your help. Please contact Barbara Turner on 332-0722 or email juniorsecretary@cashmere-soccer.co.nz for more info.

As a club we are always looking at ways we can improve the running of things. If you have any suggestions or would like to comment on anything, good or bad, we would love to hear from you. Please email back with your comments.

Lastly we all hope you have a great summer, keep practicing those soccer skills and we look forward to having you back with us again next season.
