28 May 2007

To all the Football supporters in the Test family,

The 2007 season is now well underway for all grades and we have been very lucky with the weather so far – long may it continue. There are a few things we would like to bring to your attention now that the season is underway;

Queens Birthday weekend

Just a reminder that games are scheduled for ALL GRADES for Queens Birthday weekend (including the Cashmere United Development Competition). If you are planning to be away for Queens Birthday and unable to play, please advise your coach.

July School holidays

Cashmere United Development Competition (7th – 9th grade): No games are scheduled for the middle and last weekend of the July school holidays (i.e., 7 and 14 July).

Mainland Competition (10th grade and above): No games are scheduled for the middle weekend (i.e., 7 July), but games will be scheduled for the last weekend (14 July). Again, if you are planning to be away and are unable to play, please advise your coach.

End of year prizegiving

We will be holding our end of year prizegiving on Sunday 16 September so mark this date in your diaries now! It will be a great opportunity to celebrate the season's achievements. We will be arranging for team photos to be taken in late July/early August before the end of the season – further details will follow.

Congratulations to David Fortin

David Fortin, who coaches our 8th grade Cheetahs team, is one of 10 New Zealand sports coaches selected from 115 entries to attend the SPARC connecting coaching convention in Wellington from May 25-27. David coaches softball, soccer and basketball. Through Sparc and Powerade the competition offered passes worth \$900 to the convention. David has also recently successfully passed his NZ Referee badge and is now an NZ official Ref! Well done David!

More Committee members needed!

With our player numbers now reaching 790, we are the second largest football club in Christchurch. This increase in interest in football is great news for the sport and for our Club, but it is placing increasing pressure on those of us who have volunteered our time to serve on the Committee.

David Gabites has reluctantly decided to stand down as Junior Vice President due to work commitments. David has made a tremendous contribution to the Club over the past few years and will continue to do so as webmaster. However, we will need to find someone else to fill the role of Junior Vice President.

We have a fantastic Club but it would be great to have more parents involved. Please seriously consider how you can contribute in this area and if you would like more information, please contact Barbara Turner on juniorsecretary@cashmere-soccer.co.nz.
