Own a unique and exclusive piece of Wellington Phoenix club history. Wellington Phoenix FC is auctioning actual shirts worn by the players during the 2007/08 season and 2008 Pre-Season Cup – each individually signed by the player.

Besides securing a one-of-a-kind piece of Phoenix club history, you are also supporting a great cause, with proceeds going to the Child Cancer Foundation.

This is a perfect opportunity to secure a playing strip of a past player from your school, sports institute, junior or senior club.

The 23 shirts will be auctioned off individually over the next three weeks, with the first group online now. Click on the links below to go straight to each auction.
