

10th to 13th Grade. Div. One & Two Squad selections

Below are the initial selections for our Mainland competition 1st and 2nd division teams. Where possible we will be endeavoring to put multiple entries in 2nd divisions at 10th and 11th grades, if we are not able we will enter teams in the highest division available.

Some selections are not yet complete and some teams do not yet have a coach or manager. 90% of our teams are looked after by a parent or caregiver from within the team. We cannot enter a team without adult leadership so please consider helping, training for a role will be provided if required.

Squad selections are subject to all players being registered with the club. A list of those registered will be forwarded to team coaches shortly.
